### **Issues**

1. Is CPT Code 99456-RE-WP supported?
2. Is the requestor entitled to reimbursement for the disputed services under 28 Texas Administrative Code §134.204?

### **Findings**

1. Requestor billed with CPT Code 99456-RE-WP for the amount of \$650.00 with 2 units, CPT 99456-RE for \$500.00 with 1 unit and CPT Code 99456-RE for \$250.00 with one unit. However CPT Code 99456-RE is not dispute.

Per Administrative Code §134.204 states: (j) Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows: (1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR. The MMI/IR examination shall include, (3) The following applies for billing and reimbursement of an MMI evaluation, (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350, (4) The following applies for billing and reimbursement of an IR evaluation, (A) The HCP shall include billing components of the IR evaluation with the applicable MMI evaluation CPT code. The number of body areas rated shall be indicated in the units column of the billing form, (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas, (i) Musculoskeletal body areas are defined as follows: (I) spine and pelvis; (II) upper extremities and hands; and, (III) lower extremities (including feet), (ii) The MAR for musculoskeletal body areas shall be as follows, (II) If full physical evaluation, with range of motion, is performed: (-a-) \$300 for the first musculoskeletal body area; and (-b-) \$150 for each additional musculoskeletal body area.

Review of DWC-22 (Required Medical Examination (RME) – Request for Agreement/Request for Order and DWC-69 (Report of Medical Evaluation) indicate a request for the following examination of Maximum Medical Improvement (MMI), Impairment Rating (IR), Extent of compensable injury and Return to Work (RTW) requested by the carrier.

Report provided by the provider does support that the following examinations requested were addressed (Maximum Medical Improvement (MMI), Impairment Rating (IR), Extent of Injury and Return to Work (RTW)), impairment rating to the ankle was performed using Range of Motion (ROM) method.

Therefore, CPT Code is supported. The total allowable Mar is \$650.00

2. The respondent issued payment in the amount of \$200.00. Based upon the documentation submitted, additional reimbursement in the amount of \$450.00 is recommended.

### **Conclusion**

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due.
